

## **Message from the Chairman**

**Research Council**

**University of Kelaniya**

It is with great pleasure that I issue this message to the "Journal of Social Statistics (JSS)-2018" which is published under STATICA Program by the Social Statistics Students' Association, Department of Social Statistics, University of Kelaniya.

The efforts of our young researchers to conduct and publish high-quality research in their JSS 18 must be highly appreciated because "Journal of Social Statistics" is not only useful for the researchers but also for the Society as it contains articles describing new strategies or extensions to the existing knowledge.

I warmly congratulate the coordinator and the organizing committee for publishing the "Journal of Social Statistics (JSS) 2018" successfully.

**Senior Professor N.P. Sunil-Chandra**
