

Message from the Vice Chancellor

University of Kelaniya

It is indeed a great pleasure for me to give my congratulatory note on the “5th Journal of Social Statistics (JSS)-2018” which publishes under STATICA Program by the Social Statistics Students’ Association, Department of Social Statistics, University of Kelaniya.

This journal publication has opened up numerous vital opportunities to the undergraduates to improve their research findings. It is unexceptionable that this journal “JSS- 2018” guides the undergraduates of the university to improve the quality of the researches they publish and we truly believe that the outputs generated from the researches would be a strong investment to the community.

University of Kelaniya always inspires its undergraduates to share their research findings and improve their skills while involving in such opportunities. On this purpose, I believe that “JSS -2018” will be an exemplary platform for undergraduates to ameliorate their skills.

I would like to congratulate all the participants and wish the organizing committee to publish a purposive journal.

Professor D. M. Semasinghe

Vice Chancellor

University of Kelaniya
